### **DETAILED ACTION**

Applicants are informed that the rejections of the previous Office action not stated below have been withdrawn from consideration in view of the Applicant's arguments and/or amendments.

#### ***Continued Examination Under 37 CFR 1.114***

A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on October 1, 2007 has been entered.

#### ***Information Disclosure Statement***

The information disclosure statement (IDS) submitted on October 1, 2007 was filed after the mailing date of the Final Rejection on May 30, 2007. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

#### ***Terminal Disclaimer***

The terminal disclaimer filed on November 30, 2007 disclaiming the terminal portion of any patent granted on this application which would extend beyond the expiration date of any patent granted on Application Number 11/071,095 has been reviewed and is accepted. The terminal disclaimer has been recorded.

***Allowable Subject Matter***

The following is an examiner's statement of reasons for allowance: The prior 103 (a) rejection maintained in the Final Rejection of May 30, 2007 has been withdrawn since no teachings in the prior art suggest the addition of EDTA/ethanol combination to a viral formulation. Furthermore, the specification states that adding this combination to adenovirus formulation reduces the loss of infectivity over time (see Examples 11-13 and figures 23, 27 and 28). Therefore, claims 10-19, 24-32, 47, 48-51, 53, 55-60 and 62-68 are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

***Summary***

Claims 10-19, 24-32, 47, 48-51, 53, 55-60 and 62-68 are allowed.
